A Unit of Ascot Air Services P. Ltd.

# About Us

Ascot Asia is a Unit of Ascot Air Services P. Ltd. And a co venture of BDK Group , which is a quality Aviation Training Provider with Live Training Concept. Ascot Asia has been awarded as best Aviation Training Academy in year 2018 Ascot Asia is also an Air Charter Aggregator Company deals in Jet & Helicopter Charters.

Ascot Asia provides best quality Live Training through **Ambitions Flying Club** which is also a co venture of BDK Group. With the help of live flying club exposure students get a chance to experience and understand Airport's technical work and regulation and also how aircraft flies .

Ascot Asia also offers an optional exposure program which is directly connected to live cabin crew Training also known as SEP . Students can also take flight experience through.

Live training concept was brought in 2015 by Ascot Asia and changed the concept of Cabin crew Training and Airport Ground Staff Training . This training program brings more career opportunities for students and prepares students for long run in Service Sector.
